Katy Perry, Nicki Minaj Soar Onto Mainstream Top 40

Following their appearances on the 54th Grammy Awards (Feb. 12), Katy Perry and Nicki Minaj each blast onto Billboard's Nielsen BDS-based Mainstream Top 40 chart after their new singles registered impressive first weeks promoted to radio.

Perry's "Part of Me," the lead single from her *Teenage Dream* deluxe edition, *The Complete Confection* (due March 27), bounds in at No. 21, marking her highest debut and the chart's best bow since Lady Gaga's "Born This Way" launched at No. 14 a year ago next week. Having arrived at radio and retail on Feb. 13, "Part" debuts with 3,373 plays on 135 of the chart's 141 reporters. (It also enters Adult Top 40 at a lofty No. 28.)

Perry, who performed "Part" in a medley at the Grammys, scored a record six Mainstream Top 40 No. 1s from *Teenage Dream* and tied Michael Jackson's *Bad* (1987-88) by tallying five Billboard Hot 100 No. 1s from the set, the most leaders from a single album in the latter chart's archives.

Early estimates peg "Part" as selling north of 400,000 downloads in its first full week of availability, setting up a potential No. 1

debut on this week's Hot 100. The song's official weekly Nielsen SoundScan sales figures and Hot 100 rank will be revealed Feb. 22 on Billboard.com and Billboard.biz and analyzed further in this week's Top 40 Mid-Week Update, due in your e-mail inbox on Thursday.

NEW NICKI: Minaj, whose performance of "Roman Holiday" at the Grammys drew

mixed reviews, likewise storms Mainstream Top 40 with "Starships" (No. 31), the lead radio single from the female rapper's sophomore studio set, *Pink Friday: Roman Reloaded* (due April 3). The track arrives with 1,429 first-week plays on 107 stations.

"Starships" additionally rockets onto the Rhythmic chart at No. 35. Ranking in the iTunes store's top 10 as of press time, "Starships," like Perry's new single, is in line to make a notable entrance on this week's Hot 100.

Katy Perry's "Part of Me" bows on Mainstream Top 40 at No. 21. Her active record streak of seven consecutive No. 1 singles as a lead artist dates to "Waking Up in Vegas" in 2009.

Billboard's Mainstream Top 40, Rhythmic and Adult Top 40 charts rank total weekly plays (for the week ending Sunday) on 141, 70 and 86 stations, respectively, as monitored 24 hours a day, seven days a week by Nielsen BDS. Titles receive bullets if even or gaining in weekly plays. Average Plays per Station reflects Mainstream Top 40 titles' weekly plays totals divided by the number of stations on which they received airplay in the chart's tracking week. Greatest Gainers reflect titles with the top weekly increases in plays. New and Active lists the top titles gaining in plays below the Mainstream Top 40 chart. Chart data presented in this update is preliminary and subject to change, pending final review by Billboard and BDS. Finalized charts can be viewed on Monday afternoon via Nielsen BDS' subscription platforms or via subscription to www.billboardplus.com. © 2012, Prometheus Global Media, LLC and Nielsen BDS, Inc.
